

The Roots and Shoots Mission

Founded in 1991 by Dr. Jane Goodall, Jane Goodall's **Roots & Shoots** is a youth service program for young people of all ages. Our mission is to foster respect and compassion for all living things, to promote understanding of all cultures and beliefs, and to inspire each individual to take action to make the world a better place for people, other animals, and the environment.

The Roots and Shoots Vision

Leaders from the playground to the boardroom hold the key to shaping the world. To make the world a better place, we have to change the way we make decisions. We need leaders who care about how their actions affect the world we all share. Youth can make a difference!

Join the EQA Roots and Shoots Brigade

- Help plan and participate in service projects that tackle issues through action.
- Meet and work with other youth activists who are changing the world! You don't have to wait until adulthood to lead us towards a better world.
- Commit to taking action. Young people can have power!! Youth pack a big punch when they commit to taking positive action.

Roots & Shoots empowers young people (like YOU) to become the type of leaders who will make right choices to build a better world. Through the program, youth lead local change through service while developing skills and traits of compassionate leaders.

Hundreds of thousands of Roots & Shoots members all over the world are working to improve their communities and be the kinds of leaders that our world needs. Together, the actions taken by each individual weave together to create a tapestry of hope...a powerful ripple of change. Join us in our mission!

The Eastern Queens Alliance is sponsoring this Roots and Shoots Chapter because it is committed to Dr. Jane Goodall's mission which recognizes that "Today's young people are some of the most compassionate, creative, solutionaries our world has seen." It's looking for young people like you to join.
