

Our Program

- Children can have a couple of hours of fun activities that can spark their interest in science.
- **FREE with snacks included!**
- Half Day Program, children can attend all or some of the events for any day of the week.
- Weather permitting kids will get to explore outside

Who We Are

The Eastern Queens Alliance is a federation of civic associations.

EQA is a dedicated nonprofit organization that supports and advocates for environmental education, community empowerment, activism, and stewardship.
