

# Half Day Environmental Science Summer Youth Program

July 11th—August 26th, 2016

149-20 Springfield Lane, Springfield Gardens, NY 11413

## Nature's Chemist

**Ages 6-8: Monday, Wednesday, & Fridays (9-12pm)**

**Ages 9-12: Tuesdays and Thursdays (9-1pm)**

Students will use Idlewild Park Preserve as an outdoor laboratory to investigate wetland and natural communities.

They will learn that the science of chemistry begins in our environment, that the health and the functions of the marsh involves important chemical reactions significant to sustaining the marsh.

Students will discover many amazing things that occur in nature are a result of natural reactions that we call chemistry.

### Tuition Schedule:

**Ages 6-8:** \$36 per week/ \$68 for 2 weeks/ \$134 for 4 weeks or **\$195 for entire program**

**Ages 9-12** \$30 per week/\$57 for 2 weeks/ \$112 for 4 weeks or **\$162 for entire program**

Scholarships are available
